“ Andrea you are missed. I worked with you on a couple of legal cases in the past 2-3 years, and you were a pleasure to work with. May you rest in power always. And sending Alexis a long distance hug.

“ Andrea and I worked together for several years in the Insurance world. She was a caring and lovely person. She also had a great sense of humor and made me laugh a lot. She will be missed.

“ Andrea reached out to me after I started at the Northbrook. I came to a new company and a new state and was to say the least super nervous and unsettled. We became friends for the last 30 years. If anyone could make you laugh it was Andrea! Her sense of humor was great and she drew people to her. Knowing I had a new friend in Florida once I met her helped me tremendously! Our monthly phone calls were a treat, laughing over old times and new were like a breath of fresh air. She helped me when I had my twins at the ripe old age of 43, and cooked for us after being locked inside with two NICU babies on breathing machines for 17 days! We are still in shock at her passing, and wish her family well! My deepest sympathies for a great friend and a great person. Norine

“ Andie is my 1st cousin and I've known her since I can remember and I've enjoyed her dry sense of humor, a Smith talent, my whole life. But I must say, what I love most about Andie is how she helped "heal" my mom, her Aunt Ruth. By 1999, both Chad and Ed Smith had passed away. Andie began having Mom to her house for Easter Dinners. I'm so glad I was able to attend one. Mom and Aunt Chig traveled almost 200 miles round trip between Homosassa and Plant City, sometimes weekly to spend time with each other. (They LOVED playing Scrabble!). Then Aunt Chig was gone and Mom missed her so very much. Then, Mom started telling me about regular phone calls from Andie that left her in stitches from laughing so hard. Andie's sense of humor was healing my Mom, and I hope her too.
