She was a wonderful lady and a great nurse. She took care of me when I was in Tampa General Hospital after surgery. She and Floyd were best of friends with my mom and dad Mary and Harold Hiott.

I was very sad to read of Barbara's passing in the paper this morning.
I worked with Barbara at TGH for several years. She was a dedicated, compassionate nurse - the nurse you would always want to look after your loved one. I still have some of Barbara's recipes and make her Sweet Potato Casserole every Thanksgiving. She spoke often about Floyd and her sons. I missed her when she retired.

My sincere sympathy,
Susan Knight (Moore)

We are so thank you responded ,
We have been trying to find a way to contact you. We reached out to the hospital to try to get your contact. The one we had was no longer in service. She also worked with Jenelle? She loved being a nurse, it was her calling. She was very fond of you. Yes, her recipes are prized. She loved her family SO much. Would love to speak to you.
