Aunt Dee was one of the most loving, caring and hardest working person I knew.
But she was also the best aunt a nephew could ever ask for. When I was a baby, I could not say Diane, but I could say Dee. So that is how she became known as Aunt Dee, to all five of her nephews and that is what we still call her almost 44 years later.

As bad as I am missing you right now, it brings joy in the sorrow to know that after three years, you finally received your miracle from cancer that we had been praying for. As I watched you take your last breath on this earth and a tear come from your eye, I now realized that your miracle would be going to heaven to see Jesus.

I did not get to tell you about the dream God gave me back in June. In my dream I saw you completely healed and restored to a younger version of you. You were running, jumping, and waving your hands in the air yelling hallelujah I am healed repeatedly. I could not tell where you were but was hoping that this miracle would take place on earth, but now know it was heaven that I saw this take place.

I will miss being able to come visit with you, talking to you and cooking BBQ for you and granny.
Please tell Pawpaw and Granny that we love them and we will see you all soon, just not soon enough.

Love your nephew,

Eddie Jr.

Diane was one of the finest individuals that I have known. She had a heart of gold and would always be one of the first to lend a helping hand. Not only was she intelligent she could also be witty. She will definitely be missed by a family she loved and her work colleagues who became her friends.

Diane was a incredibly kind person. She was highly intelligent but humble. She was naturally wise and very caring. She was a wonderful friend. She loved her family so dearly. A very special daughter, sister and aunt. I can’t imagine the family’s pain. I am sending up prayers for comfort.
