“ Donna's sudden passing has left a large void in the life's of her family, friends, and her grandchildren. She was so full of love for children including "her" kids at Burnett Middle School, where she worked. Donna was so giving and caring. Our condolences to Donna's family.
We will miss you Donna.

“ Oh Mrs. McClamma! I'm still shocked & so sad! You're always my go person when I was feeling overwhelmed - always with a smile - and willing to listen to me no matter how busy you're. I enjoyed so much our talks about your grandchildren, specially Amber's - how we share stories about them & my own children. Thank you for your advices & love. You were always a joy & I'll forever miss you! Heaven gained an angel!

“ So, sad to hear of Mrs. Mc Clamma's passing. She was such a kind person. When I started my teaching position at Burnett Middle in 2015, she was my strength and pillar. I will miss our talks, your smile and your love. I send prayers and lol even to her family.

“ Many years ago I was sitting in church before the service started and this beautiful blonde woman sat down next to me and said, "Mitchell and I would be honored if you would sing at our wedding." I was very surprised, but then I said "Of course I will! Congratulations!" This was at 70th Street Baptist Church and being relatively new to the church, I had never seen her before. But I had known the McClamma family for years, and I knew that if Mitchell had chosen her, she had to be something special. It turned out I was right. Mitchell had made the best choice he could have in choosing a wife. I have read and heard so many stories of the wonderful wife, mother, friend, co-worker, Christian. The list goes on. My heart is broken for Mitchell and the family. I pray that they receive the peace and comfort that only comes from God.

“ I'm not even sure where to start. I have been so blessed to know Donna. She was so welcoming when I came to Burnett. Always took time to talk to me. Was always willing to help when things got crazy. I loved hearing about her grandbabies. She was so excited to have them all home this summer. I will miss talking to her every afternoon. She was a huge blessing to me and to the students and staff at Burnett. My prayers and condolences to her family. Please know she was and will always be so loved!

“ We loved Donna! She was family!! We became close when Sara and Jesse were small, she trusted us to watch them while she worked. She was very generous and loving. She always bought lots of snacks for ALL the kids. (She always made sure I knew the snacks were for ALL the kids) Heaven is sweeter because Donna is there. We love ALL the McClamma's

“ I'm so very saddened to hear about the passing of Donna :(I know her from being friends with her son Jesse. We went to school together and then we both found out our mothers worked at the same place and that bonded us closer together. We did lose touch over the years but I will never forget them. Rest easy Donna...you will be missed <3

“ I am at a loss for words! Donna & I looked out for each other in the office, we learned on each other! We shared a love of peeps, & sweets. We had encouraged each other in our weight loss journey, this past year. I will miss her so much, and so will the students. I am not looking forward to telling those students who loved her so much.

School will not be the same without you! Love & prayers to the family. Valerie Rocka her AP office team mate.

“ Mrs. McClamma will be missed. She was like my personal secretary. My husband could rely on her to get me a word directly. She was always willing to help with anything I called her for. She never yelled at me for not doing my attendance on time. My heart is so full because she was and is my family. She loved her husband, children and especially her lovely granddaughters who she proudly paraded around school. May God keep you all at the time. She was loved and will be missed.

“ I will miss Donna, she was my go to person when I was having a not so good day. Always would ask me how was I doing and happy to see me, you can feel her sincere friendship. I would sometimes forget my water bottle (not very often) and she had that extra one without any doubt she would let me have it. She was a very dedicated worker. I was blessed with her friendship and love. God bless and give us comfort to continue with Donna in our hearts.

“ Mrs. McClamma and I both share a love of antiques. I'm a country-boy and I have a rocking chair, old-fashioned radio, and an antique coffee table in my office. She came and rocked in the chair a couple a times and warned me that it "might come up missing one day". She loved it so much that I'd planned to put it in the Clerical Zen Room we were creating for them this school year! I'm so sad she will not be here to enjoy it. But, no doubt she's got a special one reserved for her in heaven...

“ When I showed up as a transfer teacher to Burnett Middle School on September 28, 2018, Donna was the first to welcome me. She was clearly busy - it was the end of the day and dismissal was only a few minutes away; there was a parent in the office (obviously frustrated) picking up a student; and two other parents waiting. I watched as Donna handled each situation and then turned to me. When I told her that I was a new teacher to Burnett, she smiled and went to find the principal. Working with Donna the past two years, I came to realize how special that smile was. She was always so focused on her work that when you received one of her rare smiles at school you knew it was special and couldn't help but smile back.

“ Very precious lady, and family. Loved to tease with her and her mother. One thing my wife and I still laugh at, was the time she told me I'd talk to a tree stump. RIP, sweet lady, and give the family strength to carry on. God bless
