“ I knew her only a few years & she was the best neighbor I ever had. She always had time to listen & so kind. Loved to chat about our younger years growing up & family, but mostly she helped me grow in my faith. God blessed me with such a special friend. I will miss our fellowship & dinners together. With Thanksgiving. Theresa

“ Geneva and I would spend lots of good times together, going to the mall or having lunch and going to the movies. We talked often on the phone. I visited Lebanon Baptist Church once a month for the their senior luncheon with Geneva and Garland Combs. We always celebrated the holidays together and I would spend the night with Geneva. Geneva will be missed greatly by her family and myself. I am Carrie Ann Combs' mother. I loved her. Sherry Milligan

“ I worked with Geneva and Linda Mauldin at Central Soya in the late 1955-60 time frame. She was a dear friend. We contacted each other at Christmas time and I saw her last probably 40 years ago. My deepest sympathy to Lee and his family. I remember well when you were born.

“ I have known Geneva since I was 14 years old. She was a dear friend. We attended church together, where my father was pastor and Garland, her husband, was studying for the ministry. We worked together for 6 1/2 years at Central Soya Company, Chattanooga, Tennessee. She was matron of honor at my wedding. She made a beautiful cake for my parent's 50th wedding anniversary celebration. Our lives have been intertwined for 62 years. I will truly miss her, but look forward to being reunited with her in Heaven.
