“ It is with much sadness and regret that I just learned yesterday of Stanley's passing. Married to my first cousin Linda, he was a kind, quiet but strong man who was loved by my whole family. My parents, Pete & Bessie Wade, always said that Linda had married a good man and I totally agree. Linda and Debbie, I am so sorry for your loss, but thankful that our God has him in His keeping and that one day we will all be reunited together with him and our loved ones in Heaven. Love you all so very much.

“ This loving, proud, honorable man will surely be missed. I am so grateful to have called him Dad for awhile. The Grandfather if my son and friend as well. Wishing many blessing pour your way in the time ahead. And the Lord help you through the troubled times. Barbara Norris - Lietka.

“ Surely will miss that quiet sweet soul that has always made me feel welcome each time I visited. You would never leave hungry anytime dad (Mr. Norris) was around. Even if you had just left a full course meal, he always tempted you until you at least had one more bite. Anytime my daughter came around he'd change the t.v. Channel to cartoons and call her to the t.v. no matter what he was watching. Some people that have very little say, say so much silently to the world. He was that man, full of love, full of respect, full of mercy and thankfully full of the grace of God as he is now in Heaven, forgiven for his sins as he accepted Jesus in his heart and will live in eternity with God. I smile now as I remember the picture Debbie sent me last week of half smile holding a plate of Peruvian food enjoying his snack. Half smile, half mouth full of food, I'm just happy I could at least feed him one more time before it was his time to go. May he always be remembered in our hearts. May joyful memories flood his family's hearts as the waves of grief come and go.

Much love and even more prayers,
Milisa Taylor and Family
