“ I am very sorry to hear about the passing of J.D. Faught. It has been years Since I saw him. Tried many times to reconnect. As a child and teenager, we went around with each other.I have Great memories of J. D. The best one I can think of was when I used to spend the night with him and the family, his Mom always would get up and fry chicken and make homemade biscuit every Sunday morning I loved being a good friend with J.D. I wished we could have reconnected with each other. One day we will meet again in Heaven. Billy Brinson, Plant City, Florida.

“ Mildred and family, so very sorry to hear of JD's passing, he will be missed here in Breeze Hill. I remember when I was going in for a mastectomy JD stopped me and ask if he could do anything for me, he was so kind that day. We also kidded around a lot, and I always enjoyed his stories. May God give you all comfort and peace.
