Comments

“ I'll always feel lucky that one of the greatest men I ever met happened to be my grandpa, and I got to spend 40 plus years with him. The way he treated people with love and kindness was second to none and has always inspired me to be a better person. I can only hope to come close to the high standard he set, and try to pass it on to my sons as well. What a well-lived life. RIP, Paw Paw.

“ Larry "Blue" was a terrific guy and everyone who ever met him thought so. He was an outstanding father-in-law who may have had an opinion on family matter, but always kept it to himself. Told my wife I spent more time and had a better relationship with him than I did my own dad. He attended youth sporting events for kids and grandkids for nearly 35 years. Always gave the family member who was playing a dollar bill after the game. I am a better person for having known him.

“ Paw-Paw made us feel so loved by his steady presence in our lives. He and Gran-Gran never missed an event for us, his grandkids, and even his great grandkids. The cards in the mail for every occasion and the sweet phone calls on birthdays and holidays, man I'll miss those. He's a one of a kind special man and irreplaceable. Love you so much Paw-Paw.

“ Larry, Lori, Lynn and families; I'm so sorry to hear of your dad's passing. I have missed hearing about the Fowler clan the last couple of years from his yearly Christmas card. He was always so good to me. He and Londa even came to my dad's memorial service and I hadn't seen them in decades. My heart goes out to you all during this difficult time.

“ Larry my best friend at Southport Springs. We had so much fun at water aerobics. I will never forget you. We was the same age and graduated the same year. I will always remember you. It was fun while it lasted. Love you always. RIP.

“ Larry, know affectionately as Barney to his family and many friends, was a special person. He was a favorite cousin of mine, and we shared many happy times together. His death bring great sorrow to me. I will keep his close family in my prayers as they will be missing him too.
