“ Peggy and family, my most sincere condolences for Manuel's passing. My memory of him is his smile and compassion for others. Peggy you and I have been close friends since high school and you are in my heart, thoughts and prayers. God bless you in your journey without Manuel, each day will be different and the sadness and grieving will lessen in time, but you will always have him in your heart. I love you, call me when you need to or just to say hello.

Blessings, Gail Crutchfield

“ It has been a very long time since both my husband and I worked with Manuel in Facilities; however, I can still hear the sound of his laughter. I always think of him when I make Spanish Bean Soup because he gave me his recommendation on how to make it better. To Manuel's family, may your treasured memories bring comfort and smiles. The memories are his gift to you, even in this difficult time of loss. Our sincere sympathy, Donna and Alan Miller
