“ Noreen and family - I am so sorry to hear of Bill's passing. Bill was one of the good guys at Farmland and was a mentor to many of us. He was always there when we needed him. I liked his wit - if one of us men came to work wearing a pink shirt, or another color that he thought was a little feminine, he would compliment you on the shirt and then ask "What is your wife wearing today?" He kidded me about going with my wife to the Caladium festival in Lake Placed for about a year or two (to say real men don't go to Caladium festivals) only to finally admit he had previously gone to the festival with you.

My thoughts and prayers are with you and your family.

“ Noreen I am so sorry for the loss of Billy. He was such a fine man. I consider it a great honor to have been related to him. I apologize for not visiting in awhile. I still remember he and GL being good as gold with me when I was a little kid and we traveled out to Keysville to see Grandpa Carter at Aunt Ida's. God Bless you and the Family. Richard White

“ Bill Woods was one of those bosses who you always remember. He was all business when there was a job to be done but when everything was running smooth he was fun to be around. Playing golf with Bill was so much fun and he was like a good golfing buddy and work was forgotten. Condolences to his family and all who loved this man. Jerry Rodems

“ Noreen and family so sorry to hear about Bill's passing. He was such a gentleman and caring person. At work (Farmland) he would tell people that he helped raised me and I will always be thankful for his help. He was a great mentor to a lot of people at work and we will always love him and miss him. Prayers for you and family.
