“ Aaron was in my 5th grade class at Pinecrest. He walked in my room and greeted me with a sweet smile on his face every single day. He was honest, hard-working, and always willing to help. He was kind to his classmates and quite popular with the girls! He wasn't afraid to defend the "underdog." He was as real as they come. Aaron Kent is one of the unforgettable ones who will always have a very special place in my heart. Looking forward to a great big hug when I see him again!!
