EG

We remember Vernell as a happy Women of Faith. We met the Daniels family in the mid 70s, thus loosing touch. A very close and caring family. Vernelle taught me how to pluck a chicken and boil it, laughing the whole time, as I was mortified. She was also a very wise Women. Her strong belief in God was always evident in the way she lived her life, and the way she shared her love for Him. Bill and all the children, we know its a journey, and we will pray for you during those times where the only comfort is Gods Grace. Which is always sufficient. We are so thankful we came across this site. In Christian Love Steve and Emily Gordon
