“ I am so sorry for the loss your son, brother it's so heart breaking to read such a young one taken away. My son Chad went to school with Adam and wishes to send his condolences, as Chad is serving our country over seas at the moment but was so taken to hear of Adams passing. God bless and we will keep you and your family in our prayers.

“ How sad to read that a 22 year old had died. Then...to realize that I used to have a friend by the name of Roark, and believe this to be her grandson. Patty and I were in clogging classes together years ago in Brandon. She was always a sweetie. I'm sure she must be terribly saddened by the death of this young man. We expect our children and grandchildren to say "goodbye" to us: not the other way around. I have great-How sad granddaughters that are 25 and 28 and I can't imagine that they should die before me. Please give my love and prayers to Patty and her family. Also, tell her I'm still in Brandon (685-3678) and would welcome a call or visit from her - anytime.

Thank you, Carole Rink
