To this day I think about you grandma, it's very hard for me not to cry. You were such a helpful and great person. You would be there whenever I would need you. You were the only person I would go to with my problems. Whenever I was down you would bring me up. Everyday I look at the picture behind my phone that me and you took on your last birthday we had together. It hits me every time, because I know that was the last birthday I would have with you. I miss you so much, love you with all my heart. You are a very special angel. Hugs and kisses till I see you again 😊❤️.

“ *I was very blessed to know and love such a wonderful lady. Aida was always there to listen and she gave me wonderful advice as I was growing and learning to be a mom to her grandchildren. In all the 35 years I've known and loved her she was always caring and non judgmental to me and everyone she knew. This world lost a beautiful soul but she will forever live on in our hearts.*
