On his great horse
He feels its great force
He now has the ability to fly
Under the vast blue sky
Where grass is green
Water that remains clean
Gifts from the one above
Everything touched with his love
The cowboys only prayer

Is that he never goes anywhere
Here he wants to stay
Even after he fades away
He prays there's a place up there
Where their Spirits fly free

“ *One night I saw Alan at a roping. He says catch some feet for me. Well I didn't know to much about roping feet, for I was a header. But I had a darn good horse that night. He ropes that steer right out of the box as pretty as I have ever seen. I'm like wow and got super excited. Well I swung that big loop over the steers back and let it fly. It pretty much disappeared into the dark. I pulled my slack and dailed up.Doc the best horse I'd ever ridin plants his but and the lariat came tight. First pannyhose I had ever got. I was so excited. We got a check that night. We never roped together again. Why mess with perfect.
Love you buddy. Catch all of them up there in God's country.

Brother in charge!!

Thank you for installing all those water spigots at Rosalie for me. Wish we could've had one more fishing trip together as a family.

Love you Brother
