Alan had a great appreciation for music and would happily sing along to his favorite tunes. He had a generous nature and supported a variety of ministries and charities throughout his life. Alan was a businessman and entrepreneur. He was a business owner for over thirty years. A devout Christian, he attended Temple Heights Baptist Church for twenty-five years. “ Without a doubt my brother's love & concern for those without Christ was paramount in his life. Every day was an exciting day with Christ! His 'salvation excitement' never faded. I believe he was welcomed into heaven by many souls he led to Christ. His love & protective heart towards his family was unmatched. He is Home now.

Love & prayers to Ann, Heather, Holly & family

“ Alan was my Grandad. It's been a while since he's seen me but I saw him a few months ago. The last real time he saw me is when we would go out into his backyard and shoot dirt and grime off of Joe's window pane, Grandad's voice above me was mindful and warm and not a mistake. His laugh was warm too. A lot has happened since then but I am thinking about him now and his voice will ring forever through the lives that got to hear it. I wish him safe travels, Mia.

“ Alan and I were more like Brothers than Nephew and Uncle . We were in Little League together , in BabeRuth Baseball , and on the same Plant City High Varsity Baseball team . We played many rounds of Golf together. That's not the most important things we shared though. Alan was most instrumental in my coming to Trust in JESUS CHRIST for my Personal Salvation . There is no more important event than that ! We laughed together we were sorrowful together . We had one main thing over it all , we Loved sharing God's Love with others . I'll miss the fellowship we had , but we will meet again in the very Presence of our Lord . I believe Alan has heard the our Lord say , "Well done thou good and Faithful Servant". Weeping my endure forever a night , but JOY cometh in the morning ! Until we meet again , your Brother in Christ . Billy.
