“ I have not seen Al in over 20 years. I knew him when we were both teenagers. We had lots of fun playing football and sleigh riding in kasta park in ny. I remember Al as a very caring guy with many responsibilities at a young age he was always taking care of his little brother. Rest in peace Al.....

“ Al Powers was one of the funniest people ever. God could he talk! As his family accountant and friend, he always made me laugh with his stories. His family was always some of my dad's favorites as well. He will be missed. Matt Seifter

I'm so very sorry for your loss to his family & close friends. I got to meet him a few times at Robert's shop. He was a talker :-)

He was a sweet...God fearing man. His faith was strong & he will be missed.

“ *I have know Albert since I was 13 years old... We grew up together back in Richmond Hill New York ... Unfortunately as we grew older we lost contact with one other... Luckily through social media I as well as my mom were about to reconnect and she how wonderful Albert was doing with his beautiful family.. It is unfortunate that we did not have enough time to remain friends.... I would like to express my deepest condolences to his family... May God bring comfort to you in your time of need and know that Al is remembered... RIP Albie, my old friend .*

I met Albert when I was only 13 years old.... We were good friends from the old neighborhood and lost contact. It had been many years since we spoke but myself and my family never forgot about him or his.. It was nice for us to reconnect with him through social media and see how happy he was with his beautiful family but sad that to have such little time to remain friends.... My family would like to express our deepest condolences to his family.... May he rest in peace and may comfort come to you knowing he has touched so many people from all over especially here in New York... With thoughts and prayer Jennifer Reyes (Bozoki) and John and Maureen Bozoki

“ AL was a great guy. Hearing of his passing was a blow to the gut. The world lost an outspoken, loud, loving man.

“ I met Al 7 years ago to trade a motorcycle and from that day on I considered him a great friend. Loved his insight and that he was always there when I needed to Vent. Ill miss riding Harleys with him, Hunting with him, and just the random calls to and from him You will be missed Al Love Ya

“ Al had a way about him that was unique; he told it like it was but in a way that made sense, made you smile and laugh. I loved having deep conversations with him about any topic, and gut laughing about stupid stuff. Al is someone that will always leave you smiling, and always will. Life without him will be dull, drab and missing something; his pizzazz and attitude.
