“ *When I think of Alden, I smile! Because his smile always lit up my heart with love. We are fortunate enough to have known Doug since we moved to Apollo Beach in 2001. The year our precious guardian angel, "Alden John Hicks" was born. Alden would see me come through the door of Alpha, or sitting at a table and ALWAYS bring me a full cup of ice water, with a lemon and a straw. Then we would chat about his life, school, and of course the Lightning! May you rest in peace precious Alden! And may God give all of us, Especially his family, peace, comfort and the joy of knowing what an incredible mark he made on our world!*
