“ To Ms Aldine's family, my condolences. I had the privilege of working with and training under her at the old Hillsboro Bank many years ago. She was a gem. She will always have a special place in my heart. I was newly married at the time, and was unsure of cooking - her advice, "if you know what it's supposed to look like when you're finished, cook it until it looks like that." She will be missed.##imported-begin##Cindy Stockdale##imported-end##
