“ Oh the memories of knowing Alice! We laughed a lot but my most memorable is asking her for forgiveness. I came to her remorseful, with a broken heart tearfully asking her to forgive me of why I felt something had happened the way it had. Alice embraced me, loved me, and showed me what it was like to be forgiven in this life! She taught me things without knowing she was teaching me anything just by her actions. I will miss this lady but mostly, I will cherish having known her. I pray peace and comfort over all her dear family during this difficult time.
