“ Dear mom, I miss you so much. I know you told all of your children not to cry when you were gone to be with the lord. I am trying so hard to be strong for our family. I pray that I will be faithful to the lord and a light to everyone we meet. I found a scripture and verse that sounds just like the witness and guidance that you have given many times. Proverbs 3:1-35 . My son, forget not my law; but let thine heart keep my commandments; 2 for length of days, and long life, and peace, shall they add to thee. 3 let not mercy and truth forsake thee: bind them about thy neck; write them upon the table of thine heart: 4 so shalt thou find favor and good understanding in the sight of God and man... I am so glad that you showed me the way, love you.

“ *Our world won't be the same without you. So many of my best childhood memories took place on your porch, that swing, by the heater in the living room and by your Christmas Tree. Bible stories came to life through felt and your passion for telling them. We love you Grandma.*

“ Sis. Henson was my Sunday School teacher when I was a little girl. As a child, I remember her singing in the Holy Ghost. It was so beautiful! As I have gotten older, I haven't got to see her as much, but I have some good childhood memories with the Hensons. She and David visited our church about a month ago; so glad I got to see her and talk to her again. I am praying for the family. 🙏
