“ There are too many childhood memories to mention them all. I remember family gatherings and celebrations at her house. Her delicious macaroni and cheese.. Going to her house and watching programs in color as we did not have a color TV. As an adult talking for hours on the phone sharing memories of those that were no longer with us. I am going to miss Aunt Alice, however in spirit she will always be with us. Bobby, I am so sorry and I am only a phone call away.
