My heart is heavy learning this news, I had known Alicia since we were 12 years old, and have such great memories of her and her amazing family. They all made me feel like part of their family, even as we got older. But life stepped in and I lost contact with Alicia and her family, and am truly sorry that I didn't get to tell her how much I loved her and how much she meant to me. You will always be in my heart and in my mind. I Love you my first best friend.
