*“ Our thoughts and prayers are with you and your family during this difficult time. I loved seeing him at KK's softball games and cheering the girls on. It's a wonderful memory for us, as we appreciated all the support. Although this time is tough, I'm grateful that this is not a permanent goodbye, and that you all will be reunited again one day in heaven. Love, The Blessin Family*

“ Your Dad was one of the kindest men I have known. Our Friday ritual (joking about his WalMart shopping) was a great treat for all of us. You know the sorrow of losing him here in this life, but will rejoice when we all get to see our loved ones again.  
My love to you Rita and the family,
