“ Me and Alyssa were really close and I loved our bond! I remember it was me and Scotty birthday that we were celebrating at fun spot. We were both terrified of roller coasters 🤩 but she said “I’ll go if u go”, the most dangerous phrase alive. But we did.. and even tho we were screaming the whole time we got off so happy! Loved that moment and won’t ever forget.

“ Words typed online cannot express the sorrow I feel over losing such a sweet, beautiful, intelligent soul. I'm lucky I got to have her in my class for two years, and I pray God's angels are dancing with her now.
