“ *It has been a dreadful year for all of us, this year of the Covid. And now we all have lost our dear friend Andrea. In the decades we worked together, she was always a friendly and kind soul who was forever fighting an affliction that would have taken the rest of us swiftly. All the while supporting and encouraging those 2 boys of hers (and their 4H “pets”) to success and considerable accomplishment. Take solace in the memory of her success on both fronts. We have, and will continue to, miss her dearly.*

“ I will never forget spending time with Andrea when Harry and I spent time in Clearwater after we retired. I know Carol will never forget the time we took Cody and Garrett to play Carpet Golf. Of course we all have the memories we spent together when we all met at Granny Gees, Such fun ❤️ She is now in Heaven with the Gees that are all ready there. Love you

“ I will never forget my sweet cousin, Andrea. Her laugh was downright infectious. I never heard anything negative FROM her or ABOUT her. I remember taking her to a basketball game when she just five years old.. I was so proud and she was so excited. I babysat her and spent quite a few Christmas Eves with her and I cherish those memories. You fought a brave fight, “A”. Rest in peace and enjoy your reunion with Grandmother and others who love you still.

This makes me so very heartbroken to read about the death of this dear, beautiful lady. The boys loved their incredible mother so very much. My prayers are with you all during this difficult time. Her laugh and smile could light up a room! Many a joyful 4-H evening was spent with her. My heart hurts for all of her family.
