“ Angel you will never be gone you will always live within the hearts of many. We had so many good times growing up. We never had a dull moment singing dancing making fun of each other. I remember the first time I came over to your house you played over and over the song from grease look at me I'm Sandra dee. By the end of the night I knew the song word by word. Going to our first concert together seeing Cyndi Lauper and Eddie Money. So many great memories that I cherish. Girl your missed and loved by so many. Until we meet again. I love you Angel. XOXO

Our deepest sympathy goes out to the family. Angel was a sweetheart growing up with my daughter and was my daughters best friend. She lost a sister. Sadened by her lost we lost a good person for sure.
