“ *The world seems a bit emptier without your infectious laughter and your incredible kindness. I feel so blessed to have called you my friend, and I am forever grateful for the precious time we spent together. I wish things could have ended differently, but you know the love was always there. Fly high, fly girl.*

“ *Ani, I just recently heard the unfortunate news. I remember going to school with you and I even met your whole family. Even though we didn't talk for years and we grew apart, i hope that you know I have never forgotten about you and your family's kindness. My heart is aching so much to hear this news. I can't stop crying. May you all rest in peace. I also heard today is your birthday, HAPPY BIRTHDAY! Hope that you and your family are celebrating in Heaven 💕*

My heart breaks knowing your future was still head with so much to look forward to. You are now with Abuela in heaven, I know how much you missed her.
