“ My love and condolences to Charles, Blake, Dennis and all of Ann's family. She was wonderful to work with, professionally and personally. Those few years working at Springhead with Ann were among the happiest of my entire teaching career. An icon in the school and community, she was a wonderful aide, person, friend to all. She treated her students as her own. . . and we all know how she dearly loved her children and grandchildren!

*Ann will have a special place in my heart forever!*
