“ *I met Lucy many years ago when she was pregnant with Tracey. We became good friends and, along Lois Johnson, shared many laughs over the years. She was granny to so many who loved her and was always there to take them to and from school and take care of them when needed. She will be missed by so many who love her. Her pain is gone now. I love you Lucy ❤️*

I've known Lucy and her family for over 40 years. We had wonderful fun filled memories together. Our family hunted together and enjoyed good times laughing, talking and eating together. Our beautiful children and grandchildren grew up together and they still hunt and go to parties together. Lucy was a wonderful mother and awesome grandmother and friend. She will be missed greatly. I love you Lucy. God holds you now. ❤️ my condolences to the family. I love all of you, Lois Johnson
