“ I loved this sweet and talented lady. She decorated the fellowship hall at Mt. Zion Assembly of God for my youngest daughter's wedding many years ago and she would not let me pay her. Mary had a gentle way of showing God's love and she was loved by so many. I am praying for peace and comfort for the family.

“ I knew Ms. Mary through her son, Wayne, and daughter, Bonnie. She was a sweet, sweet God-fearing woman and Christ was reflected in her! She was loved well by all who knew her! I pray her example of God's love will continue to live on through her children, grandchildren and great-grandchildren! Rejoice now, Ms. Mary! You're with our Savior! 🙏🏻

“ Enjoyed knowing Mary and was always in awe of the beautiful talent she had to decorate and organize special events, she is greatly missed but knowing she is at peace I pray for her family to find comfort and love knowing how much she meant to so many.

“ Mom,

I stand here strong and proud with the thought that I came to life through you.

There are no words in any languages I speak to explain our beautiful relationship. Anything I try to say feels like less than what we (have) had.

I celebrate your strength, elegance and wisdom and your ability to selflessly mother everyone, everywhere! My mother of all mothers!

I celebrate all the beautiful times we've experienced and the beautiful times I continue to have in my infinite imagination....

First you carried me for nine months and now I carry you with me throughout my life. I hold our love, which is strong and light, pure and funny, and endless, for all the generations to come in our family. Through my kids and your grandchildren and their children (and theirs and theirs)...they will all know you and feel you.!

I'm so grateful to be part of your strong legacy. I honor all that you taught me and I continue to grow and learn.

I cherish the 59 years I spent with you.

I do not move on; I moved forward, with you, hand in hand!

I celebrate your life today. You may be gone but all that love remains. It warms and comforts and it's foundation is as real as ever.

My beautiful mother, today and every single day from now on, your soul is free and happy.

Your ever-loving daughter,

Melody
