“ As you are in this difficult stage of grieving for Anna "Elaine" Lucas, remember we are here to support and comfort you. We are here to cherish all the memories we shared together. It saddens us that we lost such a great person, it was a miracle to have her and she has no more pain. I am truly blessed to have known and love her. “ My dear friend, you will forever be missed. We spent so many hours talking, laughing and of course eating. So many wonderful memories of fun times shared. I am so very sad that I have not only lost a special friend but a sister. I am thankful to have had you in my life and for the times we have shared. Your pain and suffering is over and you are looking down on all whose lives you have touched, which is many, and laughing because we are gathering together for you on one of the coldest days in Florida’s history. You always had a great sense of humor! Love and miss you!

“ Mom, what can I say that has not been said already. I am so glad that we were able to spend so much time together the past several months and that you gave me one of your greatest gifts, that of your son and my sweet hubby. You will be missed by so many and our hearts are broken, but we know that you are only gone from this earth and in the presence of our Lord and Savior. You fought a good fight, and did things your way! We will ALL be together one day and have our family reunion. Give our Sheena some hugs from us and tell her how much she was loved too. We love you very much and pray that the angels are all having a good laugh with you. Keep everyone on their toes.....until we are ALL together again, but for now....GO rest high on that mountain, your work on earth is done!
