“ Haven't seen her in many years but she still looks like she did in the early 1970 when I met her as the new coach at cork elementary. I did come across her years after graduating and she still remember me

“ Anne and I were Physical Education teachers in Plant City when there were just a few elementary schools(late 70's and 80's). I was new to the county and Anne was very welcoming and helped me learn all about East Hillsborough. Several years later I became a Guidance Counselor and stayed in Plant city area so I did get to hear about some of Annes photography wins and successes with students. A very talented and kind person...Rest in Peace Anne St. Charles.

“ Larry & family you are in my thoughts and prayers. I am sorry I just found out today. I spent a lot of happy days with Anne and considered her a dear friend. We played ping pong, went bowling, to the beach, church, movies and had lots of fun together with a group of friends. Anne was always smiling and making us laugh. When my son was at Cork Elementary he called her Coach Anne Charles and enjoyed having her for his PE teacher. She was in her element behind a camera. Anne will be surely missed but I know we will meet again one day. Love Always, Judy Miley Drawdy

“ Coach St. Charles was my elementary P.E teacher. She says listened to my stories about my dogs and other animals. I remember having a really bad day in 5th grade and it was coach St. Charles that hugged me and talked to me til I was feeling better. She was an amazing person inside and out.

“ *Anne and I were both PE teachers in Hillsborough County, starting within a year of each other. Although we taught on opposite sides of the county, we served together on many communities and saw each other at meetings and conferences. We also shared a love for photography.*
My condolences to her family, friends, former students (who she considered her children), and coworkers.
Rest In Peace Anne.

“ *Anne was a wonderful teacher, coach and friend. She was selfless with her time and absolutely loved her students at Cork Elementary. Years ago she was a great supporter of my 4H group kids, and she introduced them to the pursuit of photography... I think it is fitting that her tributes continue to support the 4H. Love and prayers to Larry, Glenda, Aprille and Tony, and to the many dear friends and extended family members she left behind. - Dixie Gillman*
