“ Of all my time in foster care, all the homes I had been to, I look back on my time in that house with the fondest of memories. We didn't make it easy taking care of us all, but she was truly a saint here on Earth. I received my first porcelain doll in this house and remember the dolls she had displayed in her house. I will never forget the welcome I felt in her home. She was a blessing to me and I know she was welcomed into Heaven by Christ Himself. She will be missed.

“ *Anne was one of my dear hair customers for over 30 years. She was the sweetest most patient person Ive ever met. Her love for Jesus spilled over into her love of her children and foster children. She will always hold a special place in my heart. She was a true example of the Virtuous woman in Proverbs and I will be forever thankful for our sweet sweet time together.*
