“ I knew Annie when she worked at Infra-Metals. She was a great friend.
I lost contact with her when she left the steel business.
She was one of my prayer partners.
May God be with Annie's family as they go thru this sad time.

“ *Annie, you were always more than a friend to the Medrano family. To Vera and Me you were our daughter. To Janice, Paul, and Roger you were their baby sister alongside our daughter Brenda who was your school classmate, precious friend and so much more. Your wit and your total personality leaves a huge void in our hearts. You will always be with us. We love you dearly and pray for your eternal rest.*
