“ *I have so many fond memories of Arthur. We partied down in my younger days. You will be missed cuz. I think you are the one that started saying Cuz first. I can still see you rocking on Uncle Gene's porch after a long day of pitching horseshoes. You'll missed by so many. I saw you last at Brother Logue's homecoming. It was like we had never missed a day seeing each other. My love and condolences go out to the whole family. I love you Cuz. Love, Diane and family*

“ *Thank you Uncle Arthur for all the fun memories we have of you. You were so loved and appreciated more than you will ever know! Your sense of humor was like no other...I still laugh when I think about some of your jokes and how much you used to love to gossip. You certainly did have a love for your sports and your family. Your kind and loving heart will be so missed.*
