“ Our deepest sympathies to Leola and family. Ashley was a very special man. He was a great friend to my father, Ray Anderson, for many many years. Ashley and Leola were so kind and comforting to us when my father passed away 4 years ago on February 10th. Ashley called and checked on my mother for a long time afterwards also. I know Ashley has touched the lives of so many people and he will always be with us in our hearts. May God bless Leola and the rest of the family and give them comfort at this trying time. Our thoughts and prayers are with you. With our love, Donna & Kirk Suchier

Leola and family - Words cannot express how much Ashley will be missed. He was always such a comfort to me and my family and was there for us when Ray passed away 4 years ago and also conducted my mother's service back in 2000. I take comfort in the fact and now he and Ray will be able to continue where they left off. Leola I know how hard the days ahead will be but with God's help and of course the help of your great family you will continue on. I'm so sorry I could not make it to the service as I'm going in for surgery on Tuesday but my thoughts and prayers will be with you and your family.

Love, Bette Anderson
