“ You get to know a person when you sit together two feet apart at a job for a good amount of time. Ashley was young enough to be my daughter, but was more like my little Sis. We talked and shared and had a lot of laughs. Ashley was a sweet caring mother, daughter, aunt, sister and friend to so many of us. I will always remember her inner beauty and her sideways smile at me when we had a private funny moment. God Bless your sweet soul, my friend. And God Bless Jalena, Diane your sweet mom, one if my favorite people I've ever known, and your family. You will forever hold a place in my heart, Ashley.

“ We had so much fun riding home together after work & the times we hung out. U asked me what the girls problem was in our Dept. I told u they were jealous. U asked me why. I said cause you're beautiful inside AND out. Your inner beauty shone so bright. I will always cherish our matching butterfly tattoo and it will always remind me of u. U will be so missed but we all know where u are. My Love and Prayers to your daughter, Mom and sister and the rest of your family. Much Love Lil Mama 🧡🙏🦋

“ I still don't think this agonizing reality has set in completely. Thursday is going to be SO, so difficult. I will be wearing the Nike jordans I gave to you in your honor. I am sorry I never got around to bringing them to you. 😞Ash, losing you has created such a large open wound on our hearts. It will take forever to try and work on healing it. 😭 I hope you knew exactly how much you were truly loved. 💔

I know I speak for everybody when I say Lena will FOREVER know what an amazing mommy you were. Jenna and I will be sure to continue all of our holiday traditions with her, just as you would want us to.

Fly high with no more pain baby sister. 20 years with you as my tag along, un-biological sister during mine and Jenna's crazy rides isnt long enough. As an only child, thank you for accepting the little sister position that you will forever hold in my heart. Until we meet again. 🕊️

“ This just breaks my heart. We grew up together and have so many memories mostly at Skateland and the sleepovers we had. But seeing you a couple years ago it felt like no time has past. You are so loved by many. And my condolences go out to Diane, Jenna & the whole family. 💔💔
