“ *To MaryBess, Leigh Ann & Lance....*

*For years your wonderful mother & I worked together in Youth Ministry at FBC-Plant City, from 1979-1987. She was a most faithful, dedicated & totally committed "team leader", as well as a loving, trusted FRIEND. It saddens me to know she is no longer here with us, but I rejoice in knowing she IS present with our Lord. Please know I share in your sorrow at this time & will keep each of you & your families in my prayers. She so loved each one of you & always loved sharing with me happy, funny stories about your daily lives during your "growing up years". I love remembering her jolly, vivacious laughter. She will be missed, for sure. God bless each of you....*

“ *I first met Ms. Ann when she moved to Plant City to work for TECO. When one of her friends, Carolyn Smith, married one of my cousins, Phil Thompson, our family gained not just one cousin but three! Along with Ann, Carolyn and Judy Martin my Mama received three new nieces. Ann was a blessing to us and anyone she came in contact with. Her love for family and friends (who often became family) was deep and wide. Will miss her but will always see her with her lovely smile.*

“ Ann was a special friend to many. She always had a good word to say about everyone. She shared her time and family with Randall and me and we treasure those memories. Her coconut cake and chocolate cakes were out of this world. i could count on coconut for Christmas and chocolate for my birthday. She delighted in telling me I was the oldest even though we were only 5 months apart. Mary Bess, LeeAnn and Lance, our hearts go out to you and your families. .She was a one-of-a-kind and will be greatly missed.

“ Ann was born in Louisiana however, her love for Plant City was evident in her service to this community. I met Ann through Plant City Youth Soccer where Lance played along with my son Andy Wiles. She became very important in Andy's life as well as several other of Lance's friends by allowing them to live in two of her residences for a more than a reasonable cost while they were in college. Andy loved the special birthday cake she made him each year. I am so glad that I was able to personally thank her for loving my son and helping him when he needed it at which time she said "Andy is my other son". She was a remarkable woman and my heartfelt sympathy goes to the entire family and loved ones. Paula Wiles Papanek
