“ This has come as a complete shock to me. Babu and I were classmates and close friends at MCC. And we kept up the friendship over the years. He came over to the UK in 1995 and saw my twins who had just been born. And we did have plans to visit each other. I do have wonderful memories of Babu who really was a super guy. My thoughts and prayers are with Ruby and the children. The Thomas Family, Brisbane, Australia

“ My heart goes out to his family. Mahendra was a great person, always willing to help us at our Prostate Screening at the Plant City Cancer Treatment Center/SFBH. While waiting on our anxious patients we talked about his children, my sons are the same age. The difference and how proud he was of them and his wife. He was a great inspiration to me and the people he touched.

“ I will always remember the evening when Mahendra Babu sang the Lightning Express Song when were all seated in the lawn at school bidding farewell to a teacher. That is a special memory that will remain with me for ever. He was a kind soul. May he rest in peace and I wish the family all strength.

“ Every time I met Babu Mahendra, he made me feel like I am the most important person in the universe. May be that is why God wanted him sooner with Him than with us.....
