“ It took me some time to be able to come to this website but just know how much I love each of you! You are my second family and I cherish the wonderful and funny memories we shared as "across the street" neighbors! It would take days to share all of the memories we experienced. Barbara Barwick was a petite and classy lady and I loved her dearly and she loved her Lord! The good news is she is in paradise with her Lord and Saviour and will be reunited with her family again one day. I love you all, Peggy Gardner Adams

“ Dear Jenni,
I have been praying for the Lord to give you strength to endure all this and also for him to bless you with Peace, because I know you need that too. Please know that you are in my thoughts. I never knew your Mom but from what Karen has told me she must have been a very special lady, Karen speaks so fondly of her. I know you will miss her greatly.
God Bless all of you.
