“ I got to know Barb and Carol at Crossroad Baptist Church. They both loved the Lord and knew their Bible. Carol would tell me Bible verses when I carried her to church. Barb was always smiling and would help out in any way she could physically. She suffered a long time but now she is at peace with her Lord and no more pain. Carol will miss her but in time, she will heal knowing her Mom is in a better place. I will miss both them and when I see a McDonald's I will think of Carol and her LARGE coke. May God be with all the family.

“ I was lucky to be able to visit with Barb and Carol every year when I went to Rod and Connie's in the bitter cold winters. Barb got used to me coming over so I could sit out in their back yard and soak up some sun. Often times she would come sit outside with me and we would have long talks. Carol would come join us once in awhile. We talked about anything and everything. Sometimes we would get into a heated card game lol. She loved playing cards and Rod and Connie would plan game nights with her and Carol quite often I'm told it was kind of hard to get Barb to quit for the night, she would have so much fun. I'm so very sorry to the family for your loss. I know this is so heartbreaking 😭. I'm thankful that I had talked to a Barb a couple days before her passing and that she was laughing, I'll always remember that. ❤️❤️
