“ *Bobbie was our neighbor for the last 23 years, and it will not be the same for us with her not being next door. Even though we could go for a while without running into each other outdoors, or at the store, or just calling & chatting on the phone, we always knew we were next door and would be there in a second if need be to help however any of us could. And there was always a time or two one of us would call the other to say we are "borrowing" do you have such and such on hand?*

*Bobbie loved her family and her friends and always had a smile and a hug. We have no doubt where she is spending eternity and look forward to seeing her there.*

*Sending our love and prayers to the family.*

“ Aunt Bobbie was a true southern lady. I can honestly say I've never seen her without every hair in place, dressed to perfection, and a smile on her face followed by a huge hug. You knew you were loved when she was around. Aunt Bobbie loved babies! We ran into each other in Publix when Cohen was about 6 months old or so and she just melted when he smiled at her. We spent 'several minutes' catching up and visiting as if we were sitting on the porch or in the living room. Down to earth, never afraid to get a lil dirty, and always ready, willing and able to care for those who needed it. I will miss her so much but I know where she is and I would never ask her to come back.. Just to be waiting for me when I arrive!

“ Bobbie was a real lady always so sweet, caring and friendly. I never saw her often but it was so good to see her when I did. My thoughts and prayers are with you and I am so sorry for your loss.
