“ Barb was my angel while working at All People's Life Center. Always honest, trustworthy and had my back. We toughed it out between house fires, crazy bosses, and alot of changes. So thankful we were able to keep in touch over the years. God has given a blessed soul her peace 😊

“ Coach Barbara Wood was an incredible person who played a vital role in the lives of many campers who participated in Camp Sparks, a program dedicated to children with special needs. I first met her when I was nine years old and was fortunate to create countless wonderful memories with her. As I grew older, I had the privilege of volunteering and working alongside her with Hillsborough County. Having her as a mentor was truly a blessing, and I feel incredibly fortunate to have known her for as long as I did.

Coach Barbara, I love you dearly. Please continue to watch over me on this journey called life.

“ I feel incredibly blessed to have known Barbara and so sorry to hear of her passing. I know she's with the angels because she was one herself. Barbara was kind, thoughtful, and one of the most caring and selfless ladies I've known. May memories of her be cherished and her love remembered, I know I will. She brought warmth to all with her generous heart. It's nearly impossible to express how sorry I am that this beautiful lady has passed. To me, your friendship was a gift and brought joy to my spirit. Your contagious laughter will live in my heart forever. I love you my friend.
Rest softly, Linda Haynes
