We are absolutely heartbroken to just learn of Mr. Berlie's passing. We are his back pasture neighbors and he loved our cows! He helped our youngest daughter w her show cows. Our oldest daughter lives in front of our pasture and he always checked on her and watched out for her! There are absolute no better neighbors or people than Mr. Burlie and Mrs. Jan. We are so blessed to have known him for the past 6 years!

My honorable Hero, only today I prepare to say goodbye to your beloved wife Jan, our beautiful blue-eyed Jan. I hadn't had the courage to write you, I forgot to tell you once more how valuable you were to all of us, my gringo father, who learned a little Spanish to speak to me and my children, the one who made me laugh, who scolded me, taught me, took care of me, you were always there, you were my eyes when I wasn't there and my hands when I couldn't, always willing to help with your beautiful Jan, her eyes shone when she talked about her grandchildren, and I always burned my food listening to her stories, about the two of us, so many memories, every word you learned in Spanish, I feel blessed and honored to have had you in my family, I would have liked to have told you how much I love you just as I love my father and thank you for all these years, today I am calmer because she will be with you as always together. It feels a very sad void, but they are in my heart. I love you my old folks, it has been an honor my Brave Hero 🙏 Thank you, thank you, thank you.

“ I am in shock of just finding out about Berlie’s passing. We are his neighbors of almost 10 years. Berlie was an absolute Angel on this earth. He was amazing to my little brother, my cousins, my mother and I. Always looking for something to do to help, always asking us how we were, bringing us food, taking care of our dogs. Never forgetting a single birthday. Always being funny. We all have a purpose on this earth and his was leaving a piece of himself with his kindness in everyone he met and that is why he will never be forgotten. May he rest in peace. My condolences to Jan.

“ My parents, Gerald and Betty Logue, thought the world of Berlie. I was just a small child, when Berlie helped my father paint our house in Bartow. I also remember talk of Berlie going fishing with us. My father spoke very highly of Berlie as a teenage boy and as a man. I am sorry to hear of Berlie's passing, but I'm sure he's in heaven with my parents and his mother, Sister Gladys to us. Our condolences to Jan and his family. You are in our thoughts and prayers.
