“ We will miss our dear classmate. I was blessed with Bert's kindness and generosity of spirit in 2nd grade and never forgot his kindness. Each time I saw him through the next 10 years, he always had a smile. Many of us in our 1976 class of PCHS are saddened by his passing. May he rest his kind soul in peace. Thoughts and prayers are with his family.

“ For many years we attended church together at TCFB and shared the same Sunday school class. Bert loved the Lord and knew his bible. He also loved to sing and play his guitar. Many fond memories of Bert and Jeff Pickern singing together and sharing their love for our Lord and Savior. Whenever he saw my husband and I walking into church or class, he would say...."There's the Mahoneys"....and then proceed to give us a big hug. Bert loved people, and always had a smile on his face. We will treasure our memories and know that one day we will meet again, I expect to see him and Jeff playing and singing for our Lord. Rest easy my friend, until we meet again.

“ Bert was a very big inspiration to me during my early years of divorce with my ex-wife in 2004. We both attended Turkey Creek 1st Baptist Church and were in the Singles Class and sung in the choir. I would always pick up Bert for Church as he had a real hard time getting around with his legs. He was a great man and Loved the Lord and to sing in church when he could. Rest in Peace my dear friend.

“ I have known Bert since we were young and Bert has always been a great Guy. He believed in the Lord and wanted everyone else to believe also. Bert is healed and in Heaven with his family and friends that have gone on before him, and Bert is again able to play his guitar and sing his wonderful songs that we all so loved to hear.

Our thoughts and prayers are with his family and friends. Bert left so many wonderful, funny, thoughtful memories here on earth that he will never be forgotten. We love you Bert.

P.S. Luvia is missing you so much but she will also see you one day when God calls her home. You were such a great influence and wonderful friend of hers and we will all help her thru this time. She loved Bert so much.

“ Bert and I were neighbors, went to school together, and remained friends throughout our adult lives. When I think of Bert, there are many funny things that come to mind as well as sobering times. I will miss my dear friend.
