“ I just want to let the family know I am praying for them in this time of sorrow. We all lost a wonderful Christian sister and Friend in Bessie!. I loved her and we spent a lot of time at her house and at Coventry enjoying visits and laughter. My precious granddaughter AnaLynn loved You so much and she was always right next to you when we were there visiting. Bessie always said my son Tom was a handsome handsome young man and he loved her too. I will miss you my sweet friend I still have the last message you left on my phone. I know that God gained an angel and I am sure you're free of pain and happy up there. But I will always love and miss you! You're friend and sister in Christ, Elaine. 🙏❤️

“ I met Bessie at Coventry. She ate her meals with my Dad, Bobby. She was such a sweet lady. She had a great sense of humor and loved life. I will miss seeing her and knowing she helped keep my Dad calm and smiling.

“ Linda, so sorry to hear of your mothers passing. Met her in the 70's when she worked at Leeds Shoe store with my aunt Gayle Blocker. They became friends and often went fishing. I had the pleasure to visit her recently when she was a patient at South Florida Baptist hospital....she loved her travels and dancing. Was always smiling and seemed happy.

“ Linda and family,
My deepest sympathy to you and your family during this sad time. Your mother was a very kind and amazing lady and will be truly missed. I will always remember the special times we visited throughout the years. I am thankful that I was able to visit with her before the shutdown due to the virus. I talked with her a couple of days before her passing, and believe she was saying goodbye. Bless her heart. She was loved and will always have a special place in my heart and memory. May you have peace and comfort knowing she was loved by all who knew her.
