“*Sadly my Christmas card was returned this year.. we worked together at Systems Research Labs in Ohio and stayed in touch if only an annual Christmas note. As others have mentioned, Bettie was always a bright spot - lifting spirits in any circumstance. A real lady in every respect.*

“*I knew Betty in Ohio. I used to pet sit for her cats and horses. Sometimes helped give horses shots or meds. Loved that southern drawl and her sweet manners and humor. Got my Christmas card to her returned today and thought to check obits in the hopes her name wasn't there but it was. Love you Betty. Prayers that the end was quick and you're in the arms of the Lord. Hope Betsy and Jonna doing well. Loretta Sweet*

“*I had the pleasure of doing Bettie's hair for a long time. Over that time she shared a lot of her life with me and told a lot of great stories. She talked a lot about her daughters and their lives and would love when they would visit with her especially on her Birthdays. They would always have a special Birthday trip plan for her. She had a great family that cared deeply about her. She was a strong and independent woman. And always taking care of any stray cats that needed a meal. Bettie loved talking about her grandkids and their lives and was so proud of them. She was a very proud woman and always tried to look her best. I feel Blessed to have known her. Becky Smith*

“ *Ms Bettie was a sweet, southern lady who we are proud to call a friend! She was always smiling and never met a stranger! She and Mr Edward stopped by my parents house with Celia and Andy and shared a few meals together! That is a memory I will always cherish!*

“ *Bettie was a very special lady who will be sorely missed. She was always upbeat. She always was concerned about others and never failed to ask how I was doing at her visits with me. Of course, she always asked how my mother was doing. It was an honor to have had her as a patient!* ❤️🙏

“ So sorry to hear of the passing of this loving woman. I enjoyed her for several years as a member of our Sunday School class at Pine Grove Baptist. I'm sorry I never got to play the piano for you to sing "God of the Mountain". I know you're singing it now!
