“ Thoughts and prayers to the family of Betty. She spoke dearly of her family which I always enjoyed. I worked with Betty at Dover Elementary School starting in 1985. I was the school's librarian (media specialist). She was such a great lady who supported many of my library programs. She will be missed. Mrs. Linda Scholtes

“ A great secretary and friend of Dover School. I always knew she would have the answer to my questions. Working with her was a joy and she will be remembered by many. I look to that wonderful reunion in Heaven for we have many tales to share.

“ Mrs. Betty was a mentor and a friend. She means so much to our whole family. She was there for me the day my grandma died and I cannot even start to describe what that meant to me. We team taught children together when I was 19 and later she mentored me in teaching youth. She was always available and incredibly kind. This world will be less without her smile. Big hugs to all her family. Love you all!

“ I was very saddened to learn of Betty's passing. I worked as the school psychologist at Dover School for 16 years and I always found Betty to be kind, patient, and helpful. I know that every single employee and student at Dover felt that way about her! May Betty rest in peace. Barb Kovats Tuttle
