“ So many great memories with Gramma. I still remember the day she tied a string to my loose tooth and told me to look up at her as she was closing the door to take my tooth out. Didn't feel a thing. She was always so funny and always in good spirits. One thing that she taught me was to work hard for what you have. She always had a job and did very well at what she did. I love you Gramma and will miss you dearly. I will miss our conversations and cherish the stories you told and left behind.

“ My mother was so caring about everyone, she always sent birthday cards with 💰 in them to all her family. She was so giving, if you needed something and she had it, it was yours. She always asked how everyone was doing. She will be missed so much. Love you mucho Ma, miss you everyday.

Betty and my Mother, Lillie Stanley, were roommates at Zephyr Haven. We loved Betty as our own family, and always included her in our family visits. She loved hearing our stories, as we did hers. She and Mother are together again!! Love and prayers to all of Betty's family. God bless you all. Norman and Mary Weaver

Lillie was amazing. It was truly never the same for my mom after she passed. She was truly a beautiful soul. I loved the way she 'mothered' our mom!

We called it 'bossy,' but 'mothered' sounds better!! Lol. They were like sisters, and no one better mess with the other. They were fun together. Mother truly came to life when they became roomies. Thank you for such kind words for our mother. We have such wonderful memories of both precious ladies!!

I met Mrs. Betty at church. She always had a smile and would greet and engage me in conversation with quick witted humor, followed by a compliment and some encouragement that left me feeling like she was looking out for me. The moments spent talking with her were precious.
